

35th IEEE International Performance Computing and Communications Conference (IPCCC)
December 9th – 11th, 2016. Las Vegas, Nevada, USA

Request for IEEE IPCCC 2016 Visa Invitation Letters

IEEE IPCCC 2016 will require the full payment of your conference registration fee before a letter of invitation could be sent to you for obtaining a visa to attend the conference. If you are the author/presenter of an accepted paper, the conference also requires a full registration for the paper to appear in the proceedings. To prevent this service from being abused, a request of your curriculum vitae or reference letter from an academic institution or cooperation may be asked before a letter of invitation is sent.

If your visa application is rejected, please provide corresponding documentation to the organization committee. A refund of the conference registration fee less a \$100 administrative processing fee will be issued to you.

The Latest Visa Application Information to US can be found at:
