Request for IEEE IPCCC 2019 Visa Invitation Letters

IEEE IPCCC 2019 will require a completed conference registration with registration fees paid in full before a visa invitation letter is sent. To prevent this service from being abused, a request of your curriculum vitae or a reference letter from an academic institution or corporation may be requested before a letter of invitation is sent.

If your visa application is rejected, please provide corresponding documentation to the IPCCC committee chairs. A refund of the conference registration fee (less an administrative processing fee) will be issued to you.

Please check the GOV.UK site to determine if you will need a visa to enter the UK. Generally, nationals of EU/EEA countries, Switzerland, and USA will not require a visa for conference attendance.
